ROMANTIC ROAD Featuring PASSION PLAY A Tour of Germany, Including Wittenberg & Leipzig MAY 28 - JUNE 8, 2020

HOSTED BY: MARK THALLANDER FOUNDATION • 12 DAYS / 10 NIGHTS

Once a decade since 1634 the eyes of the world have turned to Oberammergau as nearly all its 5,200 residents join in staging and performing PASSION PLAY, an acclaimed and stirring reenactment of the final days of Christ offered in gratitude to God for sparing the town from the ravages of the Black Plague.

It's hard to comprehend the quality of this epic production until you attend. The biggest blockbuster hit of all time sells out quickly, with nearly half-a-million people packing the iconic 4,500-seat theater for five performances a week from May to October. The demand for seats is always far greater than the number of tickets available.

This small village has consistently pulled off its world-class production for more than 420 years!
